Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 22 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with patchy light rain overnight. Sunnier Thursday.

This Evening and Tonight:
Turning cloudier again from the north through the evening, as a band of light rain moves into the country, mostly affecting coasts and hills. Becoming drier for most by dawn but remaining breezy throughout. Minimum temperature 11 deg C (52 deg F).

Thursday:
Patchy, light rain clearing southwards through the early morning. Clear, sunny spells developing from the north lasting throughout the day. Breezy. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Often cloudy with patchy light rain on Friday and Saturday, with winds easing through Friday. Sunny spells and heavy showers possible Sunday, with winds increasing later. Feeling rather warm throughout.
